Good Afternoon,

In reference to your inmate payroll question to Bill Frohlich, this inmate never worked for UNICOR. He helped staff teach the VT Soldering Course (CMS), which indeed is a pre-requisite to work for the cable factory, but he was never hired by the factory. Therefore, this is not considered as prior UNICOR, and there is no longevity.

If you require additional information, please do not hesitate to contact us.  
Thank you.

Dear Bill,

I am asking your assistance concerning an inmate payroll question. I have an inmate here by the name of Hill, Reg# 40428-133, he was at your institution 1/24/01 - 7/24/01 listed in Sentry as LOM VT Soldering Course. This inmate states he assisted staff teaching this course and it is a pre-requisite to work in the Lompoc Cable Plant.

I was wondering if this would be considered prior UNICOR or were his wages paid out of the education department? Also, if he was prior UNICOR what was his final grade and longevity? Thank you for your assistance concerning this matter.
